

I AM CYNICAL

I want my cake and eat it too!

Oh, and throw on some of those frosting flowers, a scoop of ice-cream (make it chocolate peanutbutter), a palm pilot, signing bonus, dental benefits, a pay raise, health coverage for my wife and daughter, parking permits, bus pass, a new office (with at least two windows), a wireless Ethernet card, ...

A union can do all this right?

CAKE-5AM

Like the song says, "You can't always get what you want." But there are a lot of things that we could actually get without a union. In fact, if we vote it down, I bet we would be in a lot better position to form our own "bargaining unit".
