

WE ARE IDEALISTIC

I'm voting yes. I know it will detrimentally effect grad students who matriculate after me, but I am willing to make that sacrifice.

Sarah K. Fice
Philosophical Economics

LOSS-5AM

All the students who come after us for the next three years will have to live with the good and bad of unionizing. This is not just about us. It is about them. Are you willing to sacrifice their education for your personal agenda?

This poster was made by 5am Productions. No graduate students were harmed or charged 1.15% of their income to create this flier. Please do not take this down. If you want a copy, email sacrifice@drakos7.net
